Quarter 2 2017

UNITE LA
Education Innovation Through Collaboration

QUARTERLY OUTCOME STATEMENT

BUSINESS+EDUCATION PARTNERSHIPS & L.A. YOUTH AT WORK

Career Pathways in LAUSD

- *Served 3,242 students in 8 LAUSD High School Linked Learning Career Pathways in 91 work-based learning activities, with support from 452 industry professionals and 8 colleges and universities over the 2016-17 academic year.*
- *10th graders from Orthopaedic Medical Magnet H.S. presented their projects in a Health Messaging Showcase supported by Kaiser Permanente social worker team.*
  - *"Presenting my Community Health Project on asthma was a good experience... It was important to present this project to my peers and those who come from a Health Care Organization so they would gain the knowledge and spread it to the community."*
- *Students from Hollywood H.S. Teaching Career Academy participated in a job shadow event with professionals from LAUSD and The Jim Henson Company.*

Career Pathways in LACOE Probation Camps

- *250 students in 7 L.A. county probation camps and community schools participated in 10 work-based learning activities supported by 43 industry professionals and 11 colleges and universities over the 2016-17 academic year.*

L.A. Youth at Work (LAYAW)

- *Trained 19 community partners, including House of Blues and Nation Live, on helping underserved youth create career pathways in the music industry.*
- *Served 90 youth in Job Skills Workshops and 175 youth in Work Readiness Sessions to prepare for paid summer internships.*
- *Placed 200 high school and college students in paid summer internships.*

COLLABORATION & INNOVATION

L.A. Compact

- *The **Stewardship Group** began the process of revising the L.A. Compact priorities, principals, and goals to add foci on school readiness, "whole child" development, and equity.*
- ***Foster Youth College Advancement Project** worked with LAUSD Board Member Monica Garcia on a board resolution to improve the district's longitudinal data collection by tracking postsecondary outcomes for foster youth.*
- *The LAUSD Superintendent's Office held stakeholder engagement forums to build awareness of the 2016-19 strategic plan and promote dialogue about strategies to reach goal of 100% graduation. L.A. Compact higher education partners joined Supt. King to highlight importance of college partnerships with K-12 schools.*
- *Leaders from L.A. Compact and **L.A. Opportunity Youth Collaborative** jointly presented at 2017 Collective Impact Convening in Boston to share how the L.A. Compact has promoted a broad cradle-to-career vision.*
- *Supported higher education partners in securing $1.5M for LACCD for successful application to the California College Promise Innovation Grant Program to build programmatic elements that promote student success; an additional $1M was secured for higher education partners from Governor's Awards for Innovation in Higher Education Program to develop a reverse transfer pathways program.*

Policy

- *At our annual ACCESS DC visit in May, over 100 business and civic leaders met with elected and agency staff to share the Chamber's cradle to career agenda.*
- *Gov. Jerry Brown and the State Legislature agreed to a $183 billion state budget that will support preparation of the state's workforce.*

COLLEGE ACCESS & SUCCESS

L.A. Cash for College (CFC)

- *L.A. Cash for College (CFC) awarded $30,000 in scholarships to 30 middle and high school students at annual Scholarship reception. Each student received a $1000 CFC scholarship and a certificate of recognition from Mayor Eric Garcetti.*
