If the USIMAC is unable to obtain the NIMAS file set in a timely manner as a result of publisher negligence, the Board shall authorize the USIMAC to seek damages from publisher(s) as a result of the failure to meet contract provisions.

(3) Textbook publishers required to meet NIMAS requirements:

(a) All approved textbook contracts for the state of Utah for instructional materials published after August 2006 shall include a provision for making NIMAS file sets available through the NIMAC in accordance with IDEA and USOE Instructional Materials Contract timelines.

(b) If the USIMAC is unable to obtain the NIMAS file set from the NIMAC because the publisher fails to provide the NIMAS file set to the NIMAC in accordance with IDEA and USOE Instructional Materials Contract timelines, the USIMAC shall bill the textbook publisher the difference in the cost of producing the alternate format textbook without benefit of the NIMAS file set.

(c) Publishers shall be advised of the rule; the Utah Instructional Materials Commission under R277-469 shall not approve textbooks and materials from publishers that have a pattern of not providing materials and textbooks for students with disabilities in a timely manner, consistent with the law and Board rules.
