

Join us for this free workshop in the 2019 San Diego Regional Energy Partnership (SDREP) Education Series:

## LEED FOR CITIES & COMMUNITIES

Learn about the new, expanded certification program for making cities and communities more equitable, sustainable and resilient, with local and regional examples.

- Certification Overview
- Scorecard Exercise
- Local Case Studies
- Collaborative Activities
- Neighborhood Development
- Q&A plus more!

### Presented by:

**Hilari Varnadore**, who brings more than two decades of experience in public administration and nonprofit leadership to her role as Director of the LEED for Cities & Communities program at USGBC.

**Aaron Lande**, who works with local governments across North America, introducing them to the concept of sustainability performance metrics and supporting their efforts to track community performance and improvement as a LEED for Cities Manager at USGBC.

**Date:** Monday, August 19th, 2019

**Time:** 10:00am - 2:00pm (light lunch provided)

**Location:** Chula Vista City Hall  
276 4th Ave, Chula Vista, 91910  
(Building C, Room #B112)

**RSVP:** [www.sd-gbc.org/sdrep\\_8\\_19](http://www.sd-gbc.org/sdrep_8_19)

This initiative is part of the San Diego Regional Energy Partnership's Local Government Partnerships Program, which is partially funded by California utility customers and administered by San Diego Gas & Electric® under the auspices of the California Public Utilities Commission.
