# WORKPLACE GENDER EQUITY

## Strategies for a Gender Balanced Workplace

FruitCraft Distillery - 1477 University Ave, San Diego, CA 92103

The benefits and importance of gender equity have been a circulating discussion, and a number of local organizations have taken impactful strides to create a workplace culture that leverages and cultivates all professionals for overall success. Our Fall gathering will feature a dynamic panel discussion of industry leaders, discussing new findings around the benefits of gender equity – as well as real-world policies, outcomes and lessons learned.
