re: Endorsement of Sean Reyes for Attorney General by the Utah FOP

Mr. Reyes:

The Utah Fraternal Order of Police is pleased to notify you of our endorsement of you for Utah Attorney General. We are encouraged by your philosophy concerning the important challenges and concerns of our members, and the entire Utah law enforcement community. We stand ready to work with you toward the collective effort required to continue to hold law enforcement to the highest standards while protecting the rights of those who protect and serve our communities. We were especially appreciative of your effort in working to understand and even participate in some of the specific training that law enforcement officers undertake. We believe that you share our vision for a safe Utah as it relates to the important mission of policing our communities and we stand ready to assist your office in any appropriate manner to facilitate that outcome.

On behalf of the over 2300 members of the Utah Fraternal Order of Police, we are pleased to endorse you for the office of Attorney General, and wish you luck and great success in that endeavor.
