The Honorable Sean Reyes
Utah Attorney General
222 South Main Street, Ste 500
Salt Lake City, Utah 84101

To Whom It May Concern,

I am pleased and honored to endorse Sean Reyes for Utah's Attorney General. This is one of the most important statewide offices and Sean has helped restore honor, integrity and trust to this office when it was most needed. In a short nine months, the Attorney General's office, under the guidance of Mr. Reyes, executed the largest synthetic marijuana bust, the largest heroin bust and the most significant human trafficking sting in Utah's history.

The AG's office has also filed more white-collar criminal cases than ever before and traveled to rural communities to help with many issues that are important to mayors like myself. The storm in the AG's office has been tamed and the feedback from residents across the state is a welcome sigh of relief and expression of gratitude.

Sean Reyes is the right person for the office of Attorney General of Utah and I am happy to endorse and vote for him. I hope you join me in voting for Sean on November 4, 2014.

Sincerely,
