Margaret Engebretson Primary Election Night Statement

Statement from Margaret Engebretson, Democratic candidate for WI 7th Congressional District seat:

“We’ve shown that you don’t need to be wealthy or be part of the system to run a winning congressional campaign. When we speak honestly about what ails our country and what needs to be done to improve people’s lives, people respond. Most of all, we’ve shown that when Democrats stick up for people, we win.”

“Sean Duffy has been an absentee representative who consistently puts the interests of his campaign contributors and his loyalty to one person – the president – ahead of the people he is supposed to represent. The people of northern, western, and central Wisconsin deserve a representative who will fight for them.”

“This was a volunteer-driven campaign powered by the passion of our supporters. I’d like to offer my heartfelt thanks to everyone who contributed to this victory. My thanks also go to Brian Ewert for stepping forward as a candidate. This campaign has invigorated voters across the 7th District, and Brian has been a big part of making that happen.
