**IT'S NOW EASIER  
TO ACCESS  
SUPPORT FOR A  
MENTAL INJURY!**

From 1 July 2021, eligible Victorian workers will be able to claim reasonable costs of medical treatment and services while awaiting an outcome for their mental injury claim. This payment will be known as **provisional payments**.

It also means **employers and agents will be able to process the claim faster**.

This law will help **remove financial barriers** that will prevent you from seeking support you need and **reduce the length of time to recover** from a mental injury.
