STOP NAPTHINE'S SILENCING ACT

The Liberal State Government has proposed new laws designed to limit your rights to protest in Victoria.

These proposed laws trample on your internationally recognised human rights and are a bald attempt to limit your ability to stand up for what you believe in.

If these laws are passed, police officers will be granted new powers to direct protestors to leave the site of protests and break up picket lines. It will lead to needless police confrontation and undermines our basic democratic rights.

MOVE ON (OR ELSE)

The proposed law also introduce stiffer penalties for those who refuse to move on. If a person fails to follow the direction to move on they are subject to a **\$720 penalty and/or arrest**. If you continue to fight and return to a protest or picket you could be excluded from entering a specified public space for up to a year.

If you breach an exclusion order by entering that specified place (or the police suspect you did) you could **go to prison for 2 years**. That's 2 years in prison for the "crime" of protesting!

SPEAK UP FOR YOUR RIGHT TO SPEAK UP

Victorians are united behind the need to defeat these harsh new laws. Join us in the campaign to defend free speech and the right to peaceful protest:

10am Tuesday 18th February
