

YOUNG WORKERS

EMERGENCY MEETING

DEFEND PENALTY RATES!

WEDNESDAY 15 MARCH

6:30PM

TRADES HALL, MELBOURNE

Our pay and conditions are under attack - now it's time that we fight back against these unfair cuts to our wages!

We're hosting an **emergency meeting** to start planning the campaign to defend penalty rates - and we want **YOU**.

Whether you're a seasoned pro who has come to the Young Workers Centre a million times before, or a total newbie, it doesn't matter - **we'll only win this campaign if we all pitch in.**

Weekend workers don't deserve this pay cut - so join us on **Wednesday 15 March** from **6:30pm @ Trades Hall** as we plan our campaign to fight back!
