

ATTEND A VIP CIVIC ACADEMY FEBRUARY 8TH

School districts are facing an impending crisis if the legislature does not act. VIP is committed to holding civic academies to sound the alarm on issues that imperil our schools and our state's future. **Learn about:**

- The Aggregate Expenditure Limit crisis that would cut off funding school districts in the current school year.
- The threats by legislators to "repeal and replace" Proposition 307, the flat tax referendum, to avoid a referendum and continue the tax cuts that would erode Arizona's General Fund.
