

A Call to the Church!

A fact we can't forget. In February of 2019, Governor Ralph Northam sent a clear message to the people of Virginia that he supports heinous third trimester abortions AND infanticide. As a result, we've rolled out our "Commonwealth for Life" series of events, prayer times, and rallies across the Commonwealth.

Join us each Monday and Thursday at 7pm as we pray to end abortion in Virginia and the nation.

You can pray at your church, in your home, or wherever you are. Join us on our Facebook page <https://fb.me/Commonwealthforlife>

VIRGINIA FIRST
FOUNDATION
www.vafirstfoundation.org

Prayer is the cornerstone of our movement here in Virginia. We will be hosting prayer vigils this summer. See our website for details.

14,000 Virginia babies are aborted each year.

You (the church) will be sending 14,000 diapers to the Governor's Mansion in August. We are asking your church to do a summer diaper drive. All diapers will be donated to local pregnancy center after the diaper drop at the Mansion. Collect your diapers now until July 15th. More information on diaper pick-ups will be featured on our website. Call Pastor Travis Witt for more details 540.761.0386 or email traviswitt@usa.com

Please let us know if your church will be participating.
