

"Doing the right thing for YOU - the citizens of Volusia County."

Volusia County Platform
Principles & Positions
of the
Volusia County Republican Party

JOBS ARE #1 PRIORITY

We support tax and regulatory relief to encourage business formation and job growth in Volusia County.

We support continuing changes to the Permitting & Planning process to expedite this process, so businesses can expand and to encourage new businesses to locate in Volusia County.

We support Space Florida and all projects that would bring jobs to Volusia that are found to be responsible for our environment.

We support Public accountability from all County Boards responsible for economic development in Volusia County with continued funding based on success.

PROPERTY TAXES ARE TOO HIGH

Government is too big!

Our government must live within its means!

We oppose any increase in property taxes.

We support continuing decreases in the Volusia County budget.

We support functional consolidation of services and elimination of unfilled positions.

We support legislation to eliminate all hospital property taxing districts.

PENSIONS ARE TOO HIGH

We support pension reform to bring public sector pensions in line with the private sector.

PRIVATE OWNERSHIP OF LAND

As 48% of Volusia property is off of the tax rolls, **We support** private rather than government ownership of land in Volusia.

REDUCE DEBT

We support the reduction of government debt.

EDUCATION

We support excellence in education!

We support local control of education.

We support competition to decrease costs in lieu of raising taxes.

TRANSPARENCY

We support transparency in government.

PROTECTION OF PRIVATE PROPERTY RIGHTS

We support private property rights.

We support legislation leading to replacement of property taxes.

WE BELIEVE IN EQUAL PROTECTION FOR ALL CITIZENS!
