Dear Mr. O'Donnell,

We are pleased to advise you of our endorsement of your candidacy for election to New York State's 18th Congressional District.

As the oldest and largest national association of law enforcement professionals with over 20,000 members statewide, we have based our endorsement upon your demonstrated and continued support of police professionals.

Further, as police professionals who most experience and witness the trauma and effects of criminal behavior wrecked upon our fellow citizens, we understand, all too well, the significance of dedicated public servants as you who possess the courage and compassion to promote the confidence in our government and courts.

We authorize you to use our endorsement in your campaign.

Very truly yours,

Michael Essig
