**Title:** This is Finland  
**Author:** Aino Havukainen and Sami Toivonen  
**Paperback:** 48 Pages  
**Publisher:** Otava Publishing Company 2007  
**Language:** English  
**Summary:** This is a children’s book written and illustrated by Aino Havukainen and Sami Toivonen (2007). It was awarded the 2007 Finlandia Prize for Children’s Literature. The artwork is pure genius—it captures contemporary Finnishness like few things I’ve seen. Even visiting Finland probably won’t give you nearly as intimate a look into what is important to Finns both in terms of where they’ve come from historically and what modern life is about. And it’s hilarious.
