

2019-2020 Sponsorship Proposal

When you engage with WorldOregon, you are shaping our shared future!

We believe that deeper global understanding is key to a more peaceful world. We believe there is no limit to what we can achieve when we are willing to reach across borders (whether oceans or comfort zones) to see our world with more compassion. We believe that Oregon can be the hub where world-changing connections begin and grow! Sponsorships help to ensure that these three programs thrive:

- **Global Classroom**
Open the eyes and global curiosity of more than 14,000 K-12 students and teachers across the Portland region each year. Programs include Culture Boxes, Young Leaders in Action, teacher trainings, and the annual Youth Forum.
- **International Visitors**
Enable cross-cultural conversations and professional knowledge exchange between Oregon communities and over 500 youth and adult visitors each year. As one of the largest programs of its kind in the U.S., WorldOregon has an estimated economic impact in Oregon of more than \$2,000,000. More than 300 companies, nonprofits and individuals open their businesses and homes to these visitors.
- **Global Conversations**
WorldOregon is known for its annual International Speaker Series, with four speakers in the spring including visionaries and inspiring voices that are changing our world. With an additional 30+ events held throughout the year, more than 5,000 people engage in this learning, coming away with new understanding and awareness.
