PREAMBLE

We in the Republican Party of Wagoner County strive to build a more prosperous local community, state and nation where individual prosperity is encouraged, a person's productivity is limited only by his individual ability and personal initiative and where citizens may enjoy the freedom to pursue life as described by the Constitution of the United States of America. The Wagoner County Republican Party, composed of individuals of many views and opinions regarding the means to achieve that goal, unite with the common belief that those individual rights and the limitation of government set forth in the Constitution of the United States are sacrosanct, and the ideals of moral and fiscal conservatism and individual responsibility are paramount to maintain liberty for all people of our great state and nation.

WAGONER COUNTY REPUBLICAN PARTY CORE CONSERVATIVE VALUES

We believe;

1. In limited, efficient government; individual liberty, natural God-given rights; and personal moral integrity and responsibility.
2. Moral integrity and good character are a must in all elected officials; Character counts.
3. Our rights of life, liberty, and property are natural rights granted to us by God, protected by the Constitution, and to be defended by our elected officials.
4. God is the Author and Creator of life and that all human life, both born and unborn, should be protected.

8. Our founding fathers based our Declaration of Independence, Constitution and Bill of Rights on the Bible and traditional Judeo-Christian ethics and values, and those documents are the basis for law, order and social behavior.
9. That we are to function as a Constitutional Republic with undefined state power as described in the Constitution, where Oklahoma Sovereignty is considered constitutionally superior to a Federal government that has limited and defined power, and our State Sovereignty must be protected by State elected officials.
10. The Federal government's power is constitutionally limited, with the primary responsibility being defense of our liberty, by protecting National sovereignty and establishing justice under the law.
11. In the right under the 2nd Amendment for citizens to keep and bear arms.
12. Economic freedom is the cornerstone of individual liberty and the private sector and free market principles are the best to stimulate economic development rather than government subsidies or programs.
13. Revenues collected at all levels of government should be used only for well-defined, legitimate government functions, and should be carried out efficiently so that tax rates may be kept as low as possible.

I FAMILY

Preamble

Traditional marriage, consisting of one man and one woman, is designed to provide each family member's physical, emotional, financial, spiritual, and social needs. Both parents are needed to support and encourage happiness, health, and a good education for their children, creating the next generation of citizens who are constructive members of society. We believe God is the Author and Creator of human life and that each individual should be treated with dignity and compassion. We insist that any candidate receiving money and/or support from the Republican Party shall affirm and promote the Pro-Life concept.

I A. MARRIAGE, CHILDREN AND ADOPTION

- I A-2.** We support the right of parents to rear, educate, discipline, nurture and spiritually train their children without government interference. (SEE STATE PLATFORM I A-2)
- I A-3.** We support tax policies, enactment of legislation and public assistance policies that encourage a commitment to traditional marriage and strong families. (See State Platform I A-3)
- I A-4.** We support Federal and State legislation that prohibits recognition of same-gender marriages or domestic partnerships. (SEE STATE PLATFORM I A-4)
- I A-5.** We believe that in order to encourage and protect family values, those promoting homosexuality or other aberrant lifestyles should not be allowed to hold responsible positions over children or other vulnerable persons. (SEE STATE PLATFORM I A-6)
- I A-6.** We support strict adherence to due process of law in child abuse investigations and the protection of the constitutional rights of persons accused of child abuse. We oppose the removal of children from their family unless abuse allegations are confirmed or the child is in immediate danger. (SEE STATE PLATFORM I A-7)
- I A-7.** We support holding Department of Human Services and other State agents accountable and provide for civil and criminal penalties when agents abuse their authority. (SEE STATE PLATFORM I A-9)
- I A-8.** We encourage an adoption process that recognizes the rights of parents while maintaining safeguards for the children. We support adoption only by traditional families or qualified relatives. (SEE STATE PLATFORM I A-10)
- I A-9.** We oppose no fault divorce. (SEE STATE PLATFORM I A-11)

I B. RIGHT TO LIFE & MEDICAL ETHICS

- I B-1.** We believe in the sanctity and value of human life from conception through natural death. We oppose abortion (including the use of RU-486 and partial birth abortion), infanticide, euthanasia and mercy killings, and the funding of such by the government. We support a Constitutional Amendment protecting innocent human life. (SEE STATE PLATFORM I B-2)
- I B-2.** We support the right of hospitals, doctors, and staff to refuse to provide abortion services. (SEE STATE PLATFORM I B-3)
- I B-3.** We also recommend a 24-hour waiting period for a woman planning to have an abortion, in which time informed consent should be provided to patients of the developmental status of the unborn child, supply patients with all ultra-sounds, inform the patient that medical evidence indicates an unborn child can feel sensations of pain, and inform women of the psychological and medical risks associated with abortion including the link between breast cancer and abortion, and provide information on services available to mothers who choose to carry their children

to birth. (SEE STATE PLATFORM I B-4)

- I B-4.** As long as the unsafe practice of abortion continues, we insist that abortion clinics be required to comply with the same medical and safety standards required of hospitals. (SEE STATE PLATFORM I B-7)
- I B-5.** As long as abortion continues, we support enactment of legislation that requires a guarantee of parental notification and authorization 72 hours prior to a minor receiving an abortion. (SEE STATE PLATFORM I B-8)
- I B-6.** We support abstinence outside of marriage and parental notification before a minor is given birth control information and/or contraceptives. (SEE STATE PLATFORM I B-9)

- I C-4.** We oppose all disability specific legislation, including “Nick’s law”. Any legislation based on limited diagnostic criteria creates duplication of programs and services, resulting in increased and unnecessary spending, as well as creating gaps and confusion for those who truly need assistance.

I D. ELDERLY

- I D-1.** We support tax incentives that help alleviate cost and thus encourage family members to care for their elderly parents. (SEE STATE PLATFORM I D-2)

I E. RELIGIOUS FREEDOM

- I E-1.** Our Founding Fathers based our Constitution, Declaration of Independence, Bill of Rights and early laws on the Bible and traditional Judeo-Christian ethics and values. We believe these documents are the basis for law, order and behavior, allowing individuals, including government workers and officials, the freedom to involve God in all

activities according to their consciences. (SEE STATE PLATFORM I E-1)

- I E-2.** We believe the religion clause of the First Amendment was meant to protect individuals' freedom of religion, not remove religion from public life. (SEE STATE PLATFORM I E-2)

II EDUCATION

Preamble

The primary goal of public schools should be to teach proficiency in the basic subjects of phonics-based reading, written and oral communication, mathematics, sciences, traditional history, founding documents and Godly heritage of our nation. Locally elected school boards should have the authority to determine and implement all public school curricula, policies and procedures for their districts. We demand excellence and accountability from all tax-funded institutions of education in Oklahoma. The federal government has no constitutional role in education.

It is the right and responsibility of parents to direct their children's upbringing and education whether public, private, charter or home school, without interference, regulation or penalty from the government.

II A. PHILOSOPHY

- II A-1.** The traditional family unit is the foundation of our social structure. The Oklahoma Department of Education should uphold and teach this definition of family at all levels of public education. (SEE STATE PLATFORM II A-1)
- II A-2.** Parents and legal guardians are responsible and accountable for the education of their children. We support a parent's choice of schools, including: public, private, parochial, charter or home schooling. We believe all parents should be allowed to use their education tax dollars for the family's choice of schooling by the use of tax credits. (SEE STATE PLATFORM II A-3)
- II A-3.** Parents have a right under the Oklahoma Constitution to home school their children. We oppose any and all regulation of home schooling.
- II A-4.** We affirm the right of students and teachers to the free exercise of religion as Guaranteed by the First Amendment, including: the right to wear and display religious symbols, voluntary vocal prayer, optional Bible and religious study, religious expression, and equal access to use school facilities for these activities. (SEE STATE PLATFORM II A-4)

- II A-8.** The Ten Commandments may be posted in all public schools as a means of moral guidance along with our national motto "In God We Trust" and the Bill of Rights. (SEE STATE PLATFORM II A-8)
- II A-9.** We oppose any government required community service condition of graduation. (SEE STATE PLATFORM II A-9)
- II A-10.** Computer technology and calculators should only be used after basic math and reading proficiency are achieved in order to reinforce, not replace, the learning of basic skills. (SEE STATE PLATFORM II A-10)

- II A-12.** We oppose the revision of American history.
- II A-13.** We believe a high school diploma should represent a 12th grade level of proficiency in basic subjects.
- II A-14.** The imposition of national curricula, aptitude testing, and teacher certification or education standards on any Oklahoma school is not acceptable.

- II A-15.** Public schools are prohibited from promoting any religion. That prohibition should include promoting or using secular Humanism, New Age philosophy, Deep Ecology, reincarnation, psychotherapy, channeling, transcendental meditation, altered states of consciousness or any occult practice.

II B. CURRICULUM

- II B-1.** Basic school curriculum should include reading, composition, literature, mathematics, science, history, and government. Reading shall include phonics instruction, and composition shall include grammar and spelling instruction. Fine arts, foreign language, and physical fitness should also be included in school curricula.
- II B-2.** American heritage should be taught in public schools and include representative government, limited government, lives and beliefs of the founders, influence of the Bible and religion on our laws and principles, and the concept of free enterprise. Students should study directly from the primary founding documents, which teach the distribution of power among three branches of federal government and between federal and state government. (SEE STATE PLATFORM II B-1)
- II B-3.** Where evolution is taught, intelligent design must be taught as well. (SEE STATE PLATFORM II B-2)
- II B-4.** Local school boards should maintain the right to choose curricula and textbooks without state limitations. They further maintain the right to insert disclaimer statements into textbooks. (SEE STATE PLATFORM II B-3)

- II B-6.** We oppose the portrayal of homosexual or promiscuous behavior in a positive light in public schools.
- II B-7.** Multiculturalism promotes cultural segregation and should not be taught. We respect different cultures and affirm that U.S. citizens of any race, creed, or culture are fully Americans, not hyphenated Americans. (SEE STATE PLATFORM II B-6)
- II B-8.** English, the dominant language of our nation, should be the primary language taught in public schools with other languages offered as electives. (SEE STATE PLATFORM II B-7)

- II C-3.** Extensive background checks of prospective school employees are necessary, with the right of local school boards to refuse employment to anyone. (SEE STATE PLATFORM II C-6)
- II C-4.** We support immediate decertification of all Teachers' Unions in Oklahoma so the local school boards are free to hire, direct, train, retain or terminate any teacher that fails to provide the highest quality of instruction, based on merit, not years of service. (SEE STATE PLATFORM II C-7)
- II C-5.** Teachers, school administrators and the local school board should work together to set and implement policies that give teachers the freedom and authority to lawfully maintain order and discipline. (SEE STATE PLATFORM II C-9)
- II C-6.** We call for enforcement of Oklahoma statutes that prohibit teachers from striking during the school year. (SEE STATE PLATFORM II C-10)

- II C-7.** Local school districts should be able to place year-end excess monies into an interest-bearing account, to encourage fiscal responsibility; and they should not be penalized by the State Department of Education for doing so. (SEE STATE PLATFORM II C-11)
- II C-8.** We support public independent auditing of all public schools and institutions of higher education in Oklahoma. (SEE STATE PLATFORM II C-12)
- II C-9.** The state school funding formula should be simplified and made understandable and equitable.
- II C-10.** Open student transfer, with receiving school approval, should be implemented.
- II C-11.** High school seniors should not be required to attend a full school day if they have otherwise satisfied graduation requirements. The district should receive a full day's financial credit by the State Department of Education for those seniors.
- II C-12.** Teachers or administrators who are indicted for a felony should be placed on unpaid leave until determination of their guilt or innocence.
- II C-13.** Unions must be limited to negotiate wages and conditions of employment. - II C-14.** Alternative teaching certification programs should allow skilled professionals to teach in public schools by passing the State Teacher Certification Test.
- II C-15.** Efforts should be initiated to merge teaching resources and better utilize the technical and educational resources available. School administrations should be allocated based on enrollment.

VI A. REPUBLICAN PARTY

- VI A-1.** We invite all Oklahomans who support the mandate on family values and fiscal responsibility to register as Republicans and vote. We urge everyone to help restore and protect integrity and our constitutional rights and responsibilities through limited government.
- VI A-2.** Knowing the importance of input and participation for all citizens in our republic, we recommend continuing to document individual ideas, concerns, and suggestions from within our Republican Party. Legislators, candidates, or individuals within the Party may not agree with every detail of the platform; however, we believe Republican candidates should read our Party Platform and consider it as a document submitted as a consensus of grassroots concerns. (See State Platform VI A-2)
- VI A-3.** We, the Wagoner County Republican Party, conclude that morality and good character are a must for all elected officials. Character counts. (See State Platform VI A-3)
- VI A-4.** In order to strengthen grassroots involvement in elections, encourage the good faith sacrifices made by candidates for office, preserve funds for general election, ensure fair and transparent primaries, and increase local accountability, we urge all Political Action Committees (PACs) controlled by Republican elected officials-the Oklahoma Republican Senatorial and State House Committees, in particular-to remain neutral in candidate recruitment and in all Republican primary races. (See State Platform VI A-4)

(See State Platform IV A-5)
- VI A-6.** We oppose "affirmative action" while supporting the concept of "affirmative access". (See State Platform VI A-6)
