

BIKE VALET

More and more Nashvillians are using a bicycle as their primary form of transportation.

Support this healthy and environmentally friendly movement at your next event by providing Bike Valet for your attendees.

Walk/Bike Nashville's Bike Valet is an easy and efficient way to green your event and provide a convenient service for attendees arriving by bicycle.

Advantages of Bike Valet

- » Protect our environment by promoting green transportation options
- » Increase your event's capacity while reducing parking needs
- » Create a clean and organized event appearance
- » Encourage more people to attend your event
- » Provide valuable service to your attendees

What We Provide

- » Bike check in station, included tent, table and chairs
- » Reliable and professional Valet attendees
- » Bike racks, each of which accommodates 10 bikes
- » Efficient valet tag system and claim check cards
- » Carry away bicycle maps
- » Optional mobile B-Cycle Kiosk

1 Parking Space = **10** BIKES

BOOK NOW!

- » Standard pricing: \$75 per hour
- » Non-Profit Rates Available
- » Contact info@walkbikenashville.org for pricing and to book

BIKE VALET

Is Bike Valet Right for You?

- » Successful Bike Valet events are located in neighborhoods with higher density and restricted car parking
- » We require a 10' x 10' space for check-in tent and roughly a 1-parking spot size space for each rack (10-bikes)
- » We recommend Bike Valet for events expecting 1,500 attendees

Requirements for Successful Events

- » Bike Valet location near main event entrance
- » A 10' x 10' space for the check-in tent and roughly a 1-parking spot size space for each rack (10-bikes)
- » Fencing or barriers
- » Promotion of the availability of bike parking leading up to the event
- » Inclusion of bike parking in general directions and parking information
