

I-735

GET BIG MONEY OUT OF ELECTIONS!

Have you heard of Citizens United?

It was a Supreme Court decision that said corporations have the same constitutional rights as living, breathing people, which opened the flood-gates for unlimited and anonymous contributions to political campaigns, and is why...

- Our elections are getting increasingly expensive, with \$5.3 billion spent in 2008, \$6.3 billion in 2012 & \$12 billion projected in 2016.
- Corporations & other "legal entities" can buy up all the political ads in an election cycle to drown out opposing viewpoints, and that is why we are flooded with more & more attack ads every election season.
- Members of Congress spend up to 70% of their work week fundraising instead of doing the work they were elected to do & are often beholden to their big donors.

These are a few examples of why a group of concerned citizens came together to form **WAmend, Washington Coalition to Amend the Constitution**, championing **Initiative 735** to make Washington the 17th state to go on record demanding Congress pass a resolution to amend the constitution.

The three planks of I-735 include:

1. Corporations are NOT people
2. Money is NOT speech
3. All political contributions must be regulated and made public

THE PLAN

- WAmend volunteers are gathering the 330,000 signatures needed to get a Washington State initiative on the 2016 ballot. Petitions must be turned into the Secretary of State by **December 22nd, 2015**.
- There are organizers in every county and big city helping volunteers collect signatures across the state.
- This issue has broad support across the political spectrum & similar calls for constitutional amendments have passed in 16 other states through the initiative process or through the legislature, in both conservative and liberal areas, on over 300 ballots!

YOU CAN HELP!

- **Volunteer** - WAmend has made it easy for everyone to take part. We are using an all-volunteer signature gathering effort. We have organizers around the state who can get you what you need so your friends, family, and colleagues can sign the petition. We also need help with phone banking & a variety of other tasks. So please share your talents!
- **Give a Donation** - WAmend needs to raise about \$200,000 to be successful. Your donation of \$50, \$100, or \$500 will go a long way to help us reach this goal.

Visit **WAmend.org** to sign up or donate!
Or call **206-547-9961** to get connected to an organizer in your area.

**Together we can get
BIG Money Out of Elections!**

P.O. Box 95769 • Seattle, WA • 98145
