Dupont Corridor Open House

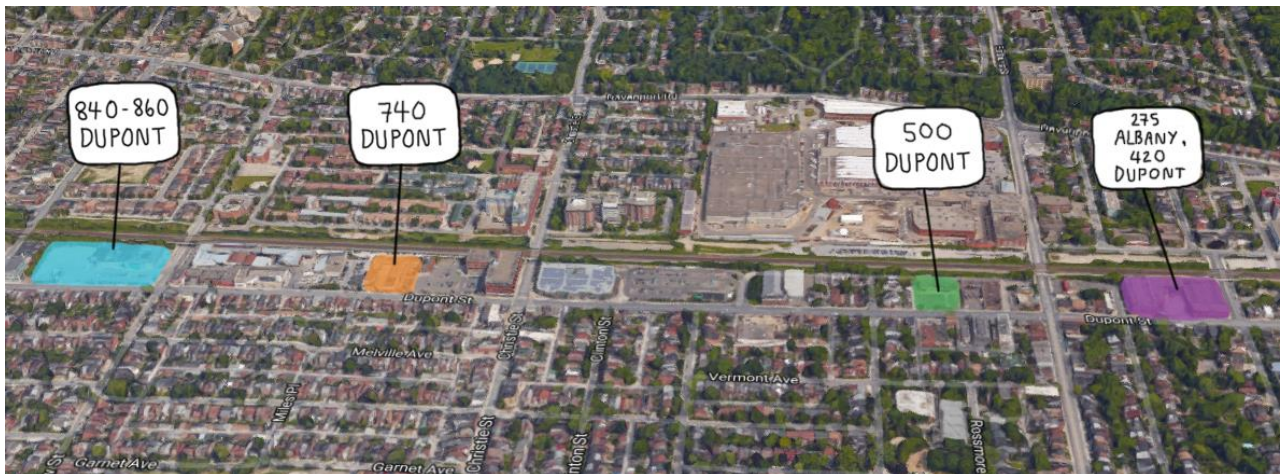

Join me and Councillor Layton for a drop-in open house on coming developments along the Dupont Corridor.

In December 2013 we conducted a study of the Dupont Corridor in Ward 19 and 20. With the local community, we examined land uses, streetscape improvements, urban design and built form guidelines, transportation options, and the impact of the rail corridor on potential development options. Unfortunately, the final study was appealed to the Ontario Municipal Board by multiple land-owners, who also submitted individual development applications to the OMB.

In March 2016, Councillor Layton and I wrote to our Dupont communities with an update on the settlements the City reached on 840 and 500 Dupont, as well as 420 Dupont/275 Albany Ave. A settlement has also been reached on 740 Dupont.

Today, there are still some elements to these applications where we can provide input. Join us on May 4th for an update on these developments, as well as to provide input on the public realm design, transportation details, and more.

Date: Thursday, May 4th
Time: 6:30pm – 9:00 pm
Location: Sacre-Coeur Elementary School, Gymnasium (98 Essex St.)
