Community Consultation Meeting

You are invited to a community consultation meeting that I am hosting to discuss a development proposal in your neighbourhood. This is an opportunity to learn more about the proposal and make your voice heard.

The developer will present their proposal followed by time for questions and comments from you and your neighbours. City Planning staff will also be there to hear your feedback and answer questions.

Date: October 27, 2015
Presentation at: 6:30 p.m.
Location: Steelworkers Hall
25 Cecil Street

203 College Street: This application was recently submitted and includes plans for a 33-storey mixed use building with 356 residential units.

This is an early opportunity for you to give feedback on the planning, architecture, and engineering of the project.

If you are unable to attend the meeting, please contact my office at 416-392-4044 or email councillor_cressy@toronto.ca to learn more.
