COMMUNITY OPEN HOUSE

JOIN US TO WELCOME THE DAVENPORT SHELTER TO OUR COMMUNITY!

FEBRUARY 15, 2018 | THURSDAY

6:00 - 8:30 PM

CHURCH OF THE MESSIAH

240 AVENUE RD AT DUPONT

The City of Toronto has acquired the building at 348 Davenport to help meet the growing need for shelter beds. The site is currently in use as a winter respite centre and will open as a shelter in late 2018.

348 Davenport is part of a city-wide strategy to implement a new style of shelter. These new shelters are being built on a smaller scale with enhanced on-site housing, health, and employment services. These centres welcome the support of neighbouring residents, businesses, and community organizations.

The open house will offer opportunities to learn about:

- Current and proposed programming at 348 Davenport
- The City's new shelter service model
- Ways the community can welcome and support the shelter
