

YMCA of Greater Toronto

- The YMCA of Greater Toronto is a charity tackling critical social health issues across the Greater Toronto Area. Our **MISSION** is to offer children, teens, young adults and families the opportunity for personal growth, community involvement, and leadership.
- Our **VISION** that our communities can and will be home to the healthiest children, teens and young adults inspires everything the YMCA of Greater Toronto does.

- 505 Richmond St. W. will include the 54,000 sq. ft. state-of-the-art McDonald Family Richmond Street YMCA, which will include a pool, gymnasium, functional fitness area, conditioning room, fitness studios and community room:
- Lots of children and youth programs designed to improve skills, make new friends and have fun
- Programming may include Group Fitness Classes, swimming, AquaFit, CycleFit, yoga, basketball and more
- Summer Camp for children 4 to 16 years of age

Since 2015, the YMCA of Greater Toronto has celebrated the opening of two new Centres of Community:

Our **Vanualety St. YMCA**, located a short walk from 505 Richmond, is where we serve the needs of homeless and at-risk youth.

In February of this year, our transitional housing program for LGBTQ2SA youth aged 16 to 24 opened near Spadina and Bloor.

And this past summer, we opened the state-of-the-art Cooper Koo Family Cherry Street YMCA, a legacy building from the 2015 Pan Am/Parapan Am Games in the vibrant Canary District.

- And we are continuing to grow, helping bring more services and programs to more people across the GTA. Last year we broke ground on our Kingston Road YMCA here in Toronto, which is scheduled to open in 2018 and we're moving forward with a new YMCA in the City of Vaughan.
