

SCHOOL CHALLENGE

FALL & SPRING

TRACKING AND SUBMITTING YOUR SCHOOL'S PARTICIPATION

- › Decide whether your school will use the online SRTS Form or the paper tally system. If you need the link to your online form, contact info@waytogovt.org.

Try to pick a Tuesday, Wednesday, or Thursday to do a two-day tally. It's important, as well, that you choose a non-event day to do a tally, because we want a baseline for how your students get to school.

If using the paper system:

- › Fill out the fields at the top of the [Classroom Tally Sheet](#) before making copies for each classroom.
- › Scan and e-mail the classroom sheets to info@waytogovt.org and we'll enter and tally the data for you.
- › Deadline for Fall Tally: Nov 30 // Deadline for Spring Tally: May 1
