

Encouraging Staff and Students to Be Active and Have Fun in the Snow--Earn Rewards from [Way to Go!](#) & [Go! Vermont](#)

Pledge to 'Winter Walk & Bike' and encourage your hybrid/remote students to participate. We make it Easy! Here is an initial list of ideas for remote learning Winter Walk events here: [Remote Winter Walk/Bike Events](#)

Getting active and outside is so important to students' health and wellbeing (yours as well!). This free Challenge, provides the perfect excuse to motivate your students to get outside and PLAY. Earn credit for a traditional Winter Walk/Bike to School event and for a remote walking/biking event, too. This year, any event where you encourage kids to go outside, explore their neighborhoods and just move, matters and counts toward rewards.

All you need to do is communicate your activity/event idea. Commit to at least a day, ideally between February 1-12<sup>th</sup>, and be eligible to win raffle prizes and rewards (need more flexibility on your activity date, e-mail us below).

**Not yet signed-up** Any school who pledges to participate in this challenge will receive a pack of fun mini-erasers to help kids get even more excited. Thanks to Local Motion, we'll send you enough erasers for each child in your school.

**Record your event by Feb 12th, and you will be entered to win:**

One of three pairs of ski passes to a ski resort local to you  
OR Ten pairs of Darn Tough socks!
