

## **Announcement: WEAO Operations Challenge Approved for CEUs**

The WEAO Operations Challenge Committee is very pleased to announce that the Operations Challenge training activities have been approved by the Ministry of the Environment, Conservation & Parks (MECP) for 4.0 CEUs.

All team members participating in the 2020 competition will receive a certificate of completion worth 40 hours (4.0 CEUs) which can be added to the operator's annual training records. Please note the CEUs are not Director Approved.

All participants must train and compete in all of the following events:

- Collection Event (4 hours)
- Lab Event (4 hours)
- Maintenance Event (4 hours)
- Process Event (16 hours)
- Safety Event (12 hours)

Registration and participation in all five events at the Annual WEAO Technical Symposium and OPCEA Exhibition must be completed in order to be awarded the CEU certificate.

We would like to specifically thank Hany Jadaa of Lexicon Environmental for spearheading the process to obtain this approval.
