

AMBULANCE HISTORICAL SOCIETY AND MUSEUM

The Union wishes to advise members of the Ambulance Historical Society (AHS) who oversee the Ambulance Museum in Bayswater (see Ambulance Historical Society video on AEAVIC Members page).

The Museum is run solely by volunteers including retired Paramedic Chas Martin who is the co-ordinator. It relies on small membership fees and donations to purchase vintage ambulance and equipment.

Membership is only **\$25 for 3 years** or **\$10 for 1 year** and includes unlimited free family museum admission, quarterly newsletters, members' merchandise discount and more.

Members are encouraged to join so that the Museum has a strong future and can afford to build on its current fleet. Members are also invited to volunteer time if able to however this is not a condition on membership.

Please fill out the attached membership form which can be sent into the AEAV at aeavic@unitedvoice.org.au.

Payment can be made in person at the Museum or by EFT at:

Account name: Ambulance Historical Society

BSB: 704230

Account Number 100167781

Please put your FULL NAME under description.

It is also worth having a look around your branch for old equipment, uniform or memorabilia. Many Rural branches have an old shed out the back which may be full of gear that the AHS would love to have.
