The CSE network is a professional learning community whose mission is to provide professional and peer-level support to help school districts adhere to the California Education Code and best practices in delivering high quality, age-appropriate, medically accurate, and comprehensive sexual health education. The Network will provide the opportunity for CSE experts and educators to share successes, challenges, and guidance for teaching sex education in the classroom. The CSE Network will meet quarterly and offer training, expert advice and information to ensure members are knowledgeable and confident about comprehensive sex education.

Topics:

- Adolescent Sexual Health in Los Angeles County
- California Education Code and the California Healthy Youth Act
- Challenges of and Strategies for Comprehensive Sex Education
- Successes of CSE Networks State-Wide

The project described is supported by Grant Number TP1AH000113 from the Office of Adolescent Health. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Department of Health and Human Services or the Office of Adolescent Health.
