By the end of this training participants will be able to:

1. Identify the current epidemiology of HIV/STI infections rates in Los Angeles County & District 2.
2. To understand the concept of PrEP for HIV prevention, it's efficacy, risk and benefits.
3. Identify candidates who would benefit from PrEP.
4. Discuss tools and strategies for tailoring health communications that are appropriate.
5. Identify factors that impact measured of health disparities in District 2 and the Greater Los Angeles.

The CDU PAETC HIV Training Series is a free event for providers who serve patients living with HIV.
