

**you are invited**

## **Patient Delivered Partner Therapy: An Innovative + Evidence Based Approach to Prevent STD Re-infection**

- when:** Friday **July 20, 2018**  
9:00 - 9:30 AM: Registration  
9:30 - 11:00 AM: Discussion/Program
- where:** **Radisson Hotel Los Angeles Midtown at USC**  
3540 S Figueroa St  
Los Angeles, CA 90007  
**Free Parking Available**
- who should attend:** Providers, Clinicians and Health Center Staff including: Clinicians (MDs, DOs, NPs, PAs), Medical Assistants, Clinic Managers, Health Educators
- description:** This event will be facilitated by Essential Access Health Staff and Jessica Saint-Paul, PA, MPH, MCHES who will use their clinical experiences and epidemiological data to:
- Learn about Essential Access Health's Patient Delivered Partner Therapy (PDPT) Distribution program that provides FREE CT + GC medication
  - Discuss clinician concerns and needs around partner management
  - Learn how to implement PDPT at your health center
- Providers are all warmly invited to:
- Network with other providers/clinicians
  - Learn about new clinical resources and strategies to help enhance care for STD positive patients and their partners
  - Learn about community-based resources
- registration required:** Register today by phone at 213.999.0542 / email [kleahy@essentialaccess.org](mailto:kleahy@essentialaccess.org)  
RSVP Required by July 18, 2018

**This project is supported by funds received from the U.S Centers for Disease Control and Prevention and the County of Los Angeles Department of Public Health, Division of HIV and STD Programs.**
