Informed Choice

Outcomes by Disability Type, June 2017

Disability Employment Services (DES) — Employment Support Service (ESS)

Greater Western Australia

The Commonwealth publishes outcomes by disability type for providers of Disability Employment Services (DES).

The Employment Support Service (ESS) is a program of support to help job seekers with permanent disability get a job, and ongoing support to keep a job.

Making an informed choice of provider makes a big difference in getting and keeping a job.

People with disability and their families can,

- Choose a provider
- Move to a different provider if they are not happy
- Look at past provider outcomes to make an informed choice
