

Relax. Revive. Restore.

WKND! Wellness premium hemp CBD products are designed to help support the well-being of your body.
No fertilizers. No pesticides. No unnecessary chemicals.

Introducing WKND! Wellness

Extracted from organic, non-GMO hemp grown in the United States. WKND! Wellness CBD products are formulated to offer holistic support for your health. They are pesticide and chemical free, and are grown in accordance with organic farming practices.

We use full-spectrum CBD hemp oil, which includes a wide range of phytocannabinoids and beneficial plant compounds, including terpenes and flavonoids. Research has shown that using full-spectrum CBD maximizes the benefits throughout the human body and supports health and wellness.*
