▼ ALCOHOL RELATED CRIME: Discussing alcohol fuelled crime with a Northamptonshire publican.

▼ RURAL CRIME: I will ensure that all communities are protected and no one is neglected.

Dear Resident,

Northamptonshire deserves a strong Police and Crime Commissioner with the right experience that listens to you, who will set out the right policing priorities over the next four years.

As an experienced businessman and a father of three, I have the skills needed to manage a £120 Million pound budget and 2000 staff and police officers. I understand how important the role of the Commissioner is in delivering an effective and trusted police service for you.

I have been listening to the views of many residents and understand what matters most to you and your family. I will clamp down on burglary and rural crime and ensure that victims are put at the heart of everything I do.

I will address the problem with alcohol and drug fuelled crime across our county, as well as working to end domestic violence. I want to make sure that our towns and villages are safe for our children and grandchildren, free from those who wish to harm them, either physically or online.

You deserve a hands-on Commissioner, with the right skills, vision and experience to deliver your policing priorities. A powerful advocate, who understands and upholds the principles of law and order in Northamptonshire. That is why I am asking for your vote on Thursday the 5th of May.

Yours,

Stephen Mold

FIRST CHOICE for Northamptonshire's Police & Crime Commissioner on 5 May 2016

Your PRIORITIES ARE my PRIORITIES

MAINTAIN FRONTLINE POLICING

Numbers matter! We have a professional police force and I trust them, I will do all in my power to protect and if possible increase front line police officer numbers.

TACKLE RURAL CRIME

We need to shine a light on rural crime and highlight the role of criminals targeting our villages and farms. We will ensure our villages have increased protection and visible policing.

KEEPING VICTIMS AT THE HEART OF JUSTICE

We need to build on the success of putting victims at the heart of everything we do in fighting crime. Giving victims of crime a voice and support is fundamental to a modern criminal justice system.

CLAMPING DOWN ON BURGLARY

Burglary is one of the top concerns of residents. If elected, I will make sure that burglaries are taken seriously and that we get justice for victims who have been on the receiving end of this violation.

INCREASING SAFETY FOR OUR CHILDREN

Children are at a greater risk of online grooming and cyber bullying. Our police service will have the latest technology and capabilities to combat online sexual predators and cyber bullies.

ZERO TOLERANCE TO DOMESTIC ABUSE

Domestic abuse is a national shame. We will do more to support victims and put the full weight of our resources behind tackling this crime.
