Criteria for 2Rivers Festival Event

- ☐ **Connect** our community with our local river systems
- ☐ Provide **opportunities** for community members to engage with our rivers and learn from experts and like-minded community members/organizations
- ☐ Increase **awareness** of the work we all do and the waters we protect
- ☐ **Educate** the public on issues affecting source waters and how they can protect them
- ☐ **Build** the profile of Wellington Water Watchers' mandate, which is to educate, advocate, and celebrate our local water
- ☐ Help **grow** our community
