

Willow Glen Neighborhood Association

Membership Application

Since WGNA's inception in 1973, its members have united to represent resident concerns. As a member, your input will be key to creating a unified and fully-participatory voice that represents your neighborhood and city.

We address a number of interests that are vital to neighborhood residents, such as urban planning and design; parks, trails, and our urban ecology; neighborhood heritage, preservation, and beautification; seasonal events; small business development and economic development; public health and safety; and the current predicament with homelessness and affordable housing, etc.

Your membership dues will be used to support our neighborhood programs, projects and initiatives including Safe Routes to School; Blight to Bright (street and park clean-ups); the Holiday Lights Tour; National Night Out; Electoral Candidate Forums; Town Hall meetings; plus administrative costs for general meetings and speaker series events, etc.

Choose from the three types of memberships in the below.

Print this manual application and remit the completed form by regular mail, or bring it to our next meeting.

This application can also be made online at WGNA.net/membership.
