WGNA is a participatory member organization with a volunteer Board. What will engage you, your friends and your neighbors to take time from your busy lives to volunteer and work with the Board and other Willow Glen residents to improve our community? WGNA works to “represent all of its members on issues of neighborhood enhancement and preservation.”

The newly elected Treasurer will have **membership applications** for those wanting to join as a new member.

Our members and Willow Glen residents are welcome and encouraged to sign up and participate in our **volunteer committees**.

WGNA has had a long history of very active volunteer committees, participation, and community interest in history and heritage preservation; San Jose and Willow Glen planning and land use; San Jose and regional transportation; ecological conservation; public safety; as well as special events committees for community events.
