

PROJECT: 6967 - Pine Avenue Sanitary Sewer Replacement Project

General Description: This project includes the removal and replacement of approximately 1 mile of sanitary sewer mains ranging from 6 to 12 inches in diameter. Portions of the existing system have been reengineered to improve sewer flows. This project also includes the construction of twenty-seven new manholes and the rehabilitation of two manholes.

This project will replace sanitary sewers which currently require frequent maintenance by the Department of Transportation. The existing sewer system was constructed during the 1940's and 1950's.

Streets to be Impacted:

- Pine Avenue between Lincoln Avenue and Bird Avenue
- Ellen Avenue between Pine Avenue and Byerley Avenue
- Juanita Avenue between Pine Avenue and Willow Glen Way
- Jonathan Avenue between Pine Avenue and Byerley Avenue
- Johnston Avenue between Pine Avenue and Byerley Avenue

Total Project \$2.2 Million

Contractor: JMB Construction, Inc.

Schedule: Contract Award: May 13, 2014
Start of Construction: Anticipated Mid July 2014
End of Construction: Anticipated November 2014
