

# Michael A. Innocenzo

## **Position**

President and CEO, PECO

## **Profile**

Innocenzo is responsible for leadership of PECO's overall performance associated with service reliability, customer satisfaction, financial management, and regulatory and external affairs. Based in Philadelphia, PECO is Pennsylvania's largest electric and natural gas utility. The company employs about 2,600 people, owns \$10 billion in assets, and generates approximately \$2.8 billion in annual revenues. A subsidiary of Exelon Corporation, the nation's largest competitive energy provider, PECO serves 1.6 million electric and more than 520,000 natural gas customers in southeastern Pennsylvania. Exelon is headquartered in Chicago and trades on the NYSE under the ticker EXC.

## **Professional History**

Innocenzo previously served as senior vice president and chief operating officer, where he was responsible for leadership of PECO's overall performance associated with operations, safety, service reliability, customer satisfaction and financial management. Prior to this position, he served as vice president, Distribution System Operations and Advanced Grid and Meter Technology, where he was responsible for the operation of the company's electric and natural gas distribution systems as well as the design and deployment of PECO's new metering technology system. Innocenzo also served as the director of Gas Operations, Quality Services and Performance Improvement. He also served as a regional director in Chester, Delaware and Philadelphia counties, as well as a regional engineering manager for Chester and Delaware counties. Innocenzo also was the emergency services supervisor in Philadelphia and a project engineer in Philadelphia and Montgomery counties.

## **Civic & Industry Involvement**

Innocenzo serves on the boards of the Philadelphia Free Library, the Philadelphia Police Athletic League (PAL), and the Southeastern Electric Exchange. Innocenzo also led special projects with the Edison Electric Institute and the North American Electric Reliability Corporation.

## **Education**

Innocenzo holds a bachelor's degree in electrical engineering from Widener University and a MBA from Villanova University.
