

Dear Fellow Wharton Alumni,

As Wharton alumni and business leaders, we embrace diversity and inclusion not only because it makes good business sense to do so, but because it is the right thing to do.

Acknowledging the problem and making a stand are insufficient, the Wharton Club of New York (WCNY) established the Equality Task Force to take action in working with business leaders to speed the process of ending systemic racism and discrimination in our workplaces and in our communities.

One of the key initiatives of the Equality Task Force is Board/C-Suite Diversity. The goal of the committee supporting this initiative is to work with Wharton, our fellow Alumni, and the corporate community to proactively promote our qualified and diverse WCNY members for Board and C-Suite opportunities.

One step in furtherance of this goal is to increase diversity in the Wharton Alumni Board Resume Book.

The Wharton Alumni Board Resume Book is a platform provided by the Wharton MBA Career Management Office whereby both **Wharton MBA alumni and Wharton Undergraduate alumni** can submit their Board resume for review by select employer and executive search firms seeking qualified Wharton alumni candidates for both corporate and non-profit board positions.

Thus, we are writing to encourage our qualified and diverse members of our WCNY community to avail themselves of this valuable resource and to share their Board resume for inclusion in the Wharton Alumni Board Resume Book. Additionally, we are hoping that other members of our WCNY community will help identify and encourage our diverse members in pursuing this opportunity.

Additionally, if your company is looking to fill a board seat, please consider a diverse Wharton candidate. It would be inspiring to see WCNY members leading the charge to increase diversity in the boardroom. If interested, please complete the following form:
