

Dear [Insert Name],

The WCNY organizes a large number of events throughout the year. These events range from small and focused gatherings centered on a particular theme to the annual Joseph Wharton Awards Dinner which attracts over 200 guests. Our events provide opportunities for Wharton alumni to network and reconnect, and for sponsors to gain exposure and access to one of the most dynamic business communities in the region.

Through the generosity of our alumni who have hosted recent WCNY events at their offices, we are honored to include among our recent facility sponsors: Cooley LLP, Halstead Property, LLC, Hinduja Group of Companies, Lee Hecht Harrison, Lyrical Partners, L.P, Microsoft, Mphasis, Paul Hastings LLP, Pfizer, Raiche Ende Malter & Co. LLP and Skadden, Arps, Slate, Meagher & Flom LLP.

Due to the high volume of events, the WCNY is always in need of additional space. **We are looking for venues that can hold meetings for at least 30 people or up to 100 guests in the Midtown NYC area.** We can work with whatever you have available and in any frequency desired. Events would be in the evening (generally 6 PM - 8 PM) and we will work around your schedule and requirements.

Partnering with the WCNY as a facility sponsor provides a highly cost-effective way to reach a targeted audience with significant recognition. If your company has space that can accommodate different size meetings and events and would like the exposure of having Wharton Alumni from different industries and companies attend meetings at your offices or if you would just like to help the WCNY, please email Gabriela Sanchez at [gsanchez@whartonny.com](mailto:gsanchez@whartonny.com).

The Wharton Alumni Network is your most powerful tool for business, social, career, and intellectual growth. You worked hard for this access...take advantage of it -- *Take the Call! And Make The Call!*

**Regina Jaslow, W'97**

President, Wharton Alumni Club of New York
