

Paul Sherman is Chief Financial Officer of ABB OPTICAL GROUP, which is a leading distributor of optical products in the U.S. The company supplies nearly two-thirds of eye care professionals across the country with brand name contact lenses, fully customizable gas permeable and specialty custom soft contact lenses, ophthalmic lenses, eyewear fabrication and more. ABB OPTICAL also offers practice building services such as pricing strategy tools, business reviews, annual supply staff training and e-commerce solutions. Founded in 1989, ABB employs nearly 1,500 people across the U.S. and has five distribution centers located in New York, Massachusetts, Florida, Ohio and California. The Company's revenue is ~\$1.3 billion. ABB OPTICAL is a portfolio company of New Mountain Capital.

Paul has held leadership positions in diverse environments of public, private and private-equity owned companies, with further complexities inherent in a franchise system. His progressive career has been achieved through varied industries including commercial real estate, multi-unit retail and restaurants, within the public and private sector. Paul served as Chief Financial Officer at LNR Property Corporation and spent 10 years at Burger King Corporation in various finance roles and operations. Paul has 34 years of experience, which also includes corporate finance consultancy, controller of a public company and a foundation in public accounting. Paul is a Board Member of South Florida Business Forum and Step Up For Students and an Advisory Board Member of Florida Institute of CFOs (fiCFO).
