Pacific Crest Trail Association

Adapting Programs Across Multiple Units

During COVID-19
25 National Forests
6 National Parks
7 BLM Field Offices
5 CA State Parks
5 National Monuments
48 Designated Wilderness Areas
3 States
45 Counties

PCT on Federal lands

www.pcta.org
Basic Prevention and Reengagement Plan

- Electronic paperwork and video tutorials
  - Sign-in, JHA, TSS, risk assessment, release of liability
- General goal of reducing time in physical proximity
- All volunteer activities will follow enhanced COVID-19 safety protocols
- PCTA providing enhanced PPE
- Closely following CDC Guidance

2020 Trail Maintenance Protocols

We know there are a lot of volunteers who are eager to get back out on the trail and enjoy the camaraderie and pride in a hard day’s worth of trail work. This page is where you’ll find all our resources, including the current status in our plan, for safely reengaging with trail maintenance activities.

As of June 22, 2020, some of our partner land management agency units are ready to

**Spectrum of engagement levels across many units**

**Pacific Crest Trail Association Reengagement Levels**

<table>
<thead>
<tr>
<th>Activities Allowed</th>
<th>Level A</th>
<th>Level B</th>
<th>Level C</th>
<th>Peak Reengagement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Stay Home, Stay Healthy</td>
<td>No volunteer activities. Staff may take part in essential work as approved by agency staff.</td>
<td>Scouting, project planning, tool maintenance. (No tool use in field.)</td>
<td>Day projects that can be completed by small groups while maintaining physical distance from other participants who are not from the same household. Examples include brushing and tread work as well as logout.</td>
<td>All trail maintenance or construction activities, not requiring closer than 6 feet spacing.</td>
</tr>
</tbody>
</table>

**Timeframe**

- As individual land management agency units reinitialize sponsored volunteer agreements. As allowed by individual States as they reduce stay-at-home orders. When PCTA can provide required PPE and sanitizing equipment.
- As soon as three weeks after Level A is implemented, if consistent with state and local guidance, and if no reported COVID-19 incidents trailwide on volunteer projects. Dispatch and Search and Rescue must be operational.
- As soon as three weeks after Level B is implemented, if consistent with state and local guidance and if no reported COVID-19 incidents trailwide on volunteer projects. Dispatch and Search and Rescue must be operational.
- PCTA will resume normal operations when California, Oregon, and Washington lift all restrictions. This may happen on a state by state basis.

**Participants**

- None
- PCTA volunteer leaders, existing section adopters, caretakers, stewards, scouts with members of volunteer’s household.
- Experienced volunteers with working knowledge of a wide variety of basic trail maintenance tools and techniques and at least 100 volunteer hours of previous service with PCTA.
-同Level B.
- Participants of all ages and skill levels.

**Overnight Projects**

- No
- No
- Yes – No campfires
- Yes

**Group Size**

- 0
- 10

**Travel**

- 0 miles
- Within 100 driving miles of residence.
- No air travel permitted.
- Within 250 driving miles of residence. No air travel permitted.
- Same as Level B.
- Air travel permitted.

**Carpooling**

- No
- Yes

**Food & Beverage**

- Each volunteer must provide their own.
- Each volunteer must provide their own.
- Each volunteer must provide their own.***
- PCTA resumes offering snacks, meals, beverages.

---

**Select agency units are in:**

- **Reengagement Level A**: Scouting, project planning, tool maintenance.
- **Reengagement Level B**: Day projects that can be completed by small groups.
- **Reengagement Level C**: All trail maintenance or construction activities, not requiring closer than 6 feet spacing, including overnight projects.

- Read more about each reengagement level.
- Check the status of individual agency units here. Please note: the agency unit spreadsheet reflects reengagement related to COVID-19 and the public health situation. It doesn’t reflect changes in PCTA’s volunteer programs due to trail closures, such as those related to wildfire. Contact your local Regional Representative or visit the Pacific Crest Trail Closures page for more information.

**Additional Reengagement Resources**

New COVID-19 related documents are compiled below. These supplement the forms on our Crew Leader Center.

- Electronic Paperwork for Level B & C: Volunteers must complete their Sign In Sheet, Trail Maintenance JHA, Risk Assessment Worksheet, COVID-19 Release of Liability Form and electronic signature before each outing.

</table>
Recent Updates:

- 14-day wait between air travel and volunteering
- Registration limits for new volunteers
- Equipment sharing allowed if distancing is maintained
- Travel distances for projects removed
- Cloth face coverings changed to ‘masks’
- Eliminated specific protocols for sanitizing tools
- Carpooling guidance currently being drafted
All Documents Generated

- Reengagement Plan
- Electronic paperwork instructions
- COVID JHA’s
- Video Orientation Checklist
- COVID Tailgate Session
- Crew Leader Q&A
- Risk Assessment Sheets
- Online trainings
- Release of liability
- Infographic
- FAQ’s
- Seasonal employee guidelines
Takeaways:

- Best to meet the Agency where they are
- Be flexible
- Act in good faith and be thorough
- Be creative
