Resolution 1 – Amendment to the Constitution

To insert into our company's constitution beneath 'Business of Annual and Other General Meetings' the following new sub-clause 32(c): "The company in general meeting may by ordinary resolution express an opinion or request information about the way in which a power of the company partially or exclusively vested in the directors has been or should be exercised. However, such a resolution must relate to an issue of material financial relevance and cannot either advocate action which would violate any law or relate to any personal claim or grievance. Such a resolution is advisory only and does not bind the directors or the company."

Resolution 2 – QBE World Heritage policy

Shareholders request that the company develop a policy which guarantees QBE does not invest in, insure or advocate[1] for any projects or works that could result in negative impacts occurring within the boundaries of a World Heritage or Ramsar property.

[1] Advocacy defined as taking a public position in favour of such projects through advertising, lobbying, press releases, formulation of company policy or allowing industry bodies that represent the company to undertake any such activity on behalf of the company.

(QBE Insurance Group Limited's Notice of 2020 Annual General Meeting is to include Resolutions 1 and 2. Shareholders voting by proxy can vote on both resolutions.)
