1. Secretary’s Report – February meeting minutes accepted as presented

2. Treasurer’s Report – February financial reports accepted as presented.

3. Fundraising –
   - The Brook - Lori reported that we will have dates in May or June. She will follow up at the end of March to solidify dates. Will try to have an Alumni event on one of our days.
   - Mid Level fundraising seminar - Tracy will share info on a fundraising training opportunity. If interested, please followup with Tracy.

4. Bylaws – Changes were unanimously approved.

5. Annual Gathering
   - Consensus is we will proceed with June 26th event, targeting lower capacity to allow for social distancing. Will set June 5th date for reservations to determine if enough interest to proceed (would cancel if low reservation count). Have to commit to venue by June 12th.

6. Annual Newsletter
   - Will be less than 8 pages this year due to limited activity to cover.
   - Will need to get creative with interesting articles about alumni
   - Trustees asked to get articles & pictures to Sue ASAP, April 15th at the latest
   - Targeting to print last week of April, then fold & mail by first week of May (to give one month for reservations)

7. Logo – Tracy reported that Christine has some concepts ready and will be meeting with a small group next week to review. Target is to present options to the Board at April meeting so that new logo can be included in Annual Newsletter and announced at Annual Gathering.

8. New Business
   - No information available yet on graduation & end of year school activities
   - Discussion on planning for June election of officers for next year
