of Interest

Join a Group

Magnify your voice. Join a grassroots group in your area. Contact us and we will send you information on the grassroots group closest to you. Or go to: www.wisconsingrassroots.net/directory_of_groups.

Form a Group

Feeling alone in bringing progressive values to your community? Let us help you form a grassroots group in your area. WGN can assist you in creating a group through the Community Empowerment Program. This program provides both training and mentoring opportunities.

Receive Wisconsin Grassroots Periodic Update

Periodically, we will email you the latest information on how WGN has been connecting, supporting, and developing grassroots groups around the state. Check this box to keep abreast of how WGN is working to awaken the hearts and minds of citizens.

Keep Abreast of Grassroots Events

Go to the WGN Web Site at www.wisconsingrassroots.net/calendars for dates and times of events that pertain to the Grassroots Movement around the state. Or, share your events or calendars.

Join the Movement Through Occupy - Grassroots

Do you have an interest in working with people that are developing grassroots groups around the country? If so, join us as we work with people from around the country who are helping organize the movement. We meet by conference call every first and third Thursday of the month to support each other and share ideas. If you check this box, we will contact you with information on how you can join the call.
