

Lilydale Regional Park "North Knob" Stabilization Meeting

Alice Messer - Landscape architect St Paul

Jim Bill Barr Engineering

North Knob will be moved and stored on site.

\$925,00 DRAP funds

\$164,000- shared with Cherokee Park restoration

North Knob stabilization must be complete and the culvert functional on the lower trail to allow emergency vehicle access before the brickyard trail can be reopened.

Bruce Vento overlook is permanently closed. The stone blocks were returned to the artist who originally placed them.

HEJ- 7:25 (sorry, I wanted to find out more about the park)

Community events

- Transition Town- Lee Olson, Barb

- Tiny Houses

Health East-

East metro community health needs assessment to address ways to prevent health disparities

Community advisory hearing Wednesday, March 7th at the Wilder Foundation on Lexington and University

Food justice component

Southport

Emergency Evacuation Planning for Barge Channel Road

Vulnerable to disaster, limited egress. The only properties Zoned heavy industrial adjacent to residential in the city

Rebecca connected to Lucy from the Emergency Management Department.

HEJ members to contact MPCA, St Paul Emergency Management UP Railroad, MN Cancer Surveillance System, and University of St Thomas to explore options for emergency management.

- Suggestion to make contact St. Paul Emergency Management First and to have a written outline of talking points, letters of support etc..

- Bahieh will contact city for availability and reach out to the board with meeting times. Tom wants to be included

Overview for the year-

Focus on Southport for Winter/Spring

Spring/Summer- Shift focus to food justice- support with Growing West Side

Encouraging people to get into green spaces

Fall- CEED- focusing on energy, rentals etc..

Inclusive Financing-

Policy used to allows tenants (individually metered) to make energy efficient improvements without going through the landlord. Must save \$20+ month, and is financed through the energy bill. Financing attached to the property and the meter, not the individual. Promotes energy justice.

Tentative meeting Thursday (Alice with community Power) to strategize meeting with Russ Stark
