

Librarians are important and dope because the librarians helps you what you need .For example, there are some school that are taking the library because there are many students in a school and giving teachers classroom. Also, libraries are important cornerstones of a healthy community. On the other hand, Libraries give people the opportunity to find jobs, explore medical research, experience new ideas, and getting lost in wonderful stories. Libraries are playing an important role in the achievement of students at their academic level in the lifelong learning process of the individual the role of libraries cannot be denied. Also, the library help us as a student to pick or let us get information of career. Going to the library has many types of books the people would like science fiction, satire , drama , action and adventure , romance, mystery ,horror , guide , travel , children's , religious , science , history , math , anthologies , poetry, encyclopedia , dictionaries , comic , art , cook books , diaries , prayer books ,series ,trilogies ,biographies , autobiographies, and fantasy. Also, reading books helped me developed and get good grade and let me learn new things about countries, language and religion. For example, I'm Hispanic and I love history and like reading about history. To conclude, the library is important for are education in life
