BCSSPA/WVSSPA met with Senator Unger to discuss issues concerning service personnel. It was a very productive day! Jonathan Bennett, Nikki Beverlin, Joe White, Sandy Lamp, Mike Plant, Christy Santana, Sen. Unger, Ricky Mason and Chip Sencidiver.

County Presidents please have your members contact WVSSPA with their correct address, phone number, and personal email.

From the President's Desk:

Welcome back to the 2014-15 school year. The "long, hazy, crazy" days of summer are getting shorter and shorter for service employees and the children throughout the state. I do hope everyone had a little time to reflect and unwind and are ready to go again, giving your best for the children in West Virginia.

I am so proud and honored to be representing such a great group and will continue giving my best for WVSSPA.

We have been busy, (really, really busy) since I took office May 30. As a county president, I never realized how much is going on each day at the state office. The phones never

stop and every call is important. I can't imagine our members receiving the help and support they receive from WVSSPA anywhere else.

A very important job is communicating with our legislators and that goes on all year even in the summer. In Unity: Linda Thompson
