Ms. Jennifer Baugh
Executive Director, Catholic Young Professionals
6060 North Central Expressway, Suite 560

Dear Ms. Baugh,

I write in receipt of the kind letter dated October 22nd of this year sent on the occasion of our recent meeting at the Co-Cathedral here in Houston. It was a pleasure to meet you and some of your friends and associates after the Red Mass on the 21st.

Knowing how important it is for young Catholics to be credible and joyful witnesses to the Gospel in their everyday lives, and the critical role that the support of peers plays in this regard, by this letter I am pleased to lend my own support and encouragement to the Young Catholic Professionals and their endeavors to begin a new chapter here in the Archdiocese of Galveston-Houston.

Given the tremendous economic growth and the influx of young professionals we continue to observe in this region, I am confident that your efforts will be a welcome support to all those who are called to create the world with a living faith. With sentiments of esteem and prayerful best wishes in the Lord, I am

Sincerely yours in Christ,

+ Daniel Cardinal DiNardo
