

The election is upon us! Recent polling still has us at **only 46% yes** unless voters hear a positive message linking Prop 59 to big money and corruption in politics.

People power put Prop 59 on the ballot and is the **driving force** for us to win the election. **Sincere person-to-person contact** is the most effective way to influence votes.

THAT'S WHERE YOU COME IN!

Your phone calls can help us reach as many **persuadable voters** as possible and move YES on 59 from its 46% baseline to 73% in just a few short weeks! Please spend as much time as you can in the run-up to the election connecting with voters and asking them for their support.

Thank you for donating your valuable time and energy to help us win this important vote!

Please only call between the hours of **10:00 am and 8:00 pm PST**.
